\*This certification is based on the above listed merchant's completion and attestation of the PCI Self Assessment Questionnaire and vulnerability scan results if applicable. For merchants that require scanning, compliant vulnerability scans are required quarterly to maintain compliance. This certificate does not mean the merchant's systems are invulnerable to unauthorized access. This certificate reflects the merchant's attested compliance on the date of attestation and that the merchant understands that s/he must maintain PCI compliance at all times. No representation is made as to the security of the merchant's systems by PowerPay or CSRSI, or any of their subsidiaries.
